

Southland Resident 2027-2028

Are you a post-graduate or young adult looking for a place to serve, grow, and develop your character and your calling in ministry? Are you ready to learn through classroom, cohort, and hands-on opportunities?

Primary Responsibilities Include:

- A year-long commitment (June to May).
- Full-time schedule, including Sundays.
- Enjoy hands-on learning in your chosen ministry area under the supervision of a Southland staff field supervisor for training, coaching, development, and support.
- Responsibilities may include leading groups, writing devotional or other materials, preaching in Student Ministry environments, interviewing, onboarding, and leading volunteers, planning events, and more!
- Engage in weekly sessions with other residents and Southland staff members.
- Come prepared with readings and any assignments completed.
- Be an active participant in discussions.
- Learn to lead Residency sessions and discussions.
- Plan your next steps after residency intentionally as you work towards job placement supported by Southland staff in the process.

Residents are paid a \$1,000 bi-weekly stipend as a 1099 employee.

Sound like you? We'd love to see your application!
