Summer Internship | Overview

NORTHSIDE CHRISTIAN CHURCH

About Northside

Just minutes away from Louisville, KY in New Albany, IN, Northside Christian Church sits just across the border as an extension of the greater Louisville area. Northside has four weekend worship services, with a total of approx. 4,500 people in attendance, and 60 or so staff. One interesting fact is that Northside does not have one lead pastor, but rather a team of lead pastors who collectively lead the church.

Summary

The Northside Summer Internship Program is a 10-week program within the months of May to August to prepare young adults who are pursuing a future career in full-time ministry. Our goal is to develop Kingdom workers with the skills and experience needed for long-term ministry effectiveness. This is done through the following four key components:

- ✔️ Hands-on experience with a specific ministry
- ✔️ Coaching/mentoring from experienced staff

Applicant Requirements

Interns must have a desire to pursue full-time ministry post-graduation and are currently pursuing a degree in an area of their ministry pursuit.

Weekly Hours & Term

Altogether, summer interns should expect to commit a total of 20 hours per week: 18 hours per week in a specialized ministry to gain ministry experience, and 2 hours of coaching/mentoring. Specific work schedules are unique to each ministry. Most require weekend commitments. Interns are free to hold additional employment, provided that the internship is priority and other employment does not interfere with internship expectations. The internship starts in late May and concludes in early August. Specific dates TBD.
